REMARKS

In the Notice of Draftsperson's Patent Drawing Review attached to the Notice Regarding Drawings of October 20, 2006, the Draftsperson objects to Fig. 1 as having solid black shading, not having plain, legible numbers and reference characters, and having poor figure legends. The solid black shading has been removed, the numbers and reference characters made plain and legible, and the figure legends made clear in this amendment.

The Draftsperson also objects to the non-English alphabet used in Figs. 3 and 4. Applicant is deleting the non-English characters.

The remaining amendments are to correction informalities in the drawings. No new matter has been added.

Applicant is submitting formal drawings herewith.

Conclusion

Therefore, it is respectfully submitted that the Draftsperson's objections have been overcome, and it is requested that these corrected drawings be entered and allowed.

Please charge our Deposit Account No. 50-1039 for any fee due for this Amendment.

Favorable reconsideration is earnestly solicited.

Respectfully submitted,

Date: November 29, 2006
